INTERNATIONAL OFFERINGS

SOUTH AMERICAN

COLOMBIAN- (FAIR TRADE CERTIFIED) varies from region to region and lot to lot but this coffee is generally a medium intensity coffee with bright acidity. Some fruit notes, sweetness and wine flavors. 6.50/lb.

BOLIVIA- (FAIR TRADE CERTIFIED) a sweet aroma with hints of fruit. This hard bean coffee has a smooth aftertaste. 6.50/lb.

PERUVIAN- (FAIR TRADE CERTIFIED) (CERTIFIED BIRD FRIENDLY BY THE SMITHSONIAN INSTITUTE) has a mild intensity and often times a peppery taste comes through in the medium roast. 6.50/lb

SWISS WATER PROCESS DECAFFEINATED PERU- (FAIR TRADE CERTIFIED) has a mild intensity and often times a peppery taste comes through in the medium roast. 7.50/lb.

BRAZILIAN- (FAIR TRADE CERTIFIED) a very mild taste with some dry notes in flavor. A nutty flavor is usually apparent in the lighter roasts. It is a fine base coffee to build on for espresso blends. 6.50/lb.

CENTRAL AMERICAN

GUATEMALAN- (FAIR TRADE CERTIFIED) a medium intensity coffee that has a smokey character and often times is highlighted with bittersweet chocolate tones. This coffee has a great balance 6.50/lb.

NICARAGUAN- (FAIR TRADE CERTIFIED) considered by many to be a classic origin cup of coffee. It has a great body and a toned down acidity when compared to other Central American coffees. This coffee is best unblended. 6.50/lb.

MEXICAN CHIAPAS- (FAIR TRADE CERTIFIED) this coffee has a very mild intensity and a light sweet body of taste. It is a high altitude, firm bean that shines in taste. 6.50/lb.

COSTA RICAN- (FAIR TRADE CERTIFIED) a well balanced, clean, and mild cup of coffee with berry and citrus notes. The bright acidity of this coffee finishes with a hint of chocolate. 6.50/lb.

HONDURAS- (FAIR TRADE CERTIFIED) a shade grown, high elevation beauty. This wet process coffee characterizes the climate in which it is grown. It has a wet and earthy aroma and hints of tobacco and floral notes in the cup.

INDONESIAN

SUMATRAN- (FAIR TRADE CERTIFIED) is a low acidity coffee usually heavy with earth tones and a thick body. Its aroma can impart the taste of herbs and age. 6.50/lb.

JAVA - a milder earth toned coffee than its neighbors Sumatra and Sulawesi. It has some floral notes and a light taste of chocolate. Java is also a lower acidity coffee. 6.50/lb.

SULAWESI- (also known as Celebes) is a low acid coffee similar to Sumatran coffee. It has a medium to bold intensity and is heavy with fruit and floral tones. 6.50/lb.

PAPUA NEW GUINEA- (FAIR TRADE CERTIFIED) has a great aroma and is void of the earth flavors of other Indonesian coffees. The bright acidity is similar to a Central American but this coffee imparts a complexity of fruit notes. 6.50/lb.

ARABIAN PENINSULA

YEMEN MOCCA- is perhaps one of the most unique. The dry process yields a winery and fruity cup of coffee that has strong notes of blueberry throughout. Yemen coffee is a great blend component. 8.50/lb
